

# **Ward Two Water District Cut Off and Disconnect Procedures and Guidelines**

---

1. If payment is not received in a timely manner, services are subject to be cut off.
2. Ward Two Water District may require any past due balance to be paid at any particular location before any new connection or before any services can be reinstated.
3. If Arrangements are not kept as agreed upon, Arrangements will be null and voided, and services are subject to be cut off.
4. If Ward Two Water District is notified of a deceased account holder and any failure to respond to attempts made by Ward Two Water District by phone, letter, and/or email will result in the services subject to be cut off.
